

Patient Notice COVID-19

Cork University Maternity Hospital

**Update to visiting restrictions in Cork University Maternity Hospital (CUMH)
as of Monday 11 January 2021**

Due to the surge in COVID-19 infections and the national move to Level 5 restrictions, regrettably we have to temporarily pause partners attending the routine 20-22 week anatomy scan with effect from Monday, 11 January 2021.

We will monitor the situation and will keep you updated accordingly.

We thank you as always for your cooperation and regret any distress this may cause.

Yours sincerely,

John R. Higgins
Professor of Obstetrics and Gynaecology
Clinical Director Ireland South Women & Infants Directorate
South/Southwest Hospital Group
